Independent Verification Report

Prepared for UOB Venture Management: October 21st 2024

Introduction

UOB Venture Management (UOBVM) engaged BlueMark to undertake an independent assessment of Asia Impact Investment Fund II's (AIIF II's) alignment with impact investing and ESG industry best practices and market standards.¹ BlueMark's Fund Impact Diagnostic (Fund ID) assessment conclusions are intended to provide AIIF II with a summary of the extent of its alignment. AIIF II agreed to participate in the pilot testing of the Fund ID and is one of the first funds to complete the process and receive a rating.

Fund ID assessment conclusions

BlueMark has independently verified the extent of AIIF II's alignment with impact investing and ESG industry best practices. The result from BlueMark's assessment is as follows:

<p>GOLD 72%</p>	<p><i>AIIF II received a Gold rating, obtaining 72% of eligible points:</i></p> <p>Funds receiving a Gold rating implement most to all best practices across the four assessment pillars.</p> <p>AIIF II's rating is valid until October 21st, 2025. For more assessment details see AIIF II's Impact Diagnostic Assessment Results report.</p>	 <p>UOB VENTURE MANAGEMENT ASIA IMPACT INVESTMENT FUND II</p>

Assessment methodology and scope

UOBVM provided BlueMark with the relevant supporting documentation for the policies, processes, and tools related to impact and ESG at the Fund. The scope of BlueMark's work was limited to processes in place as of October 2024. BlueMark believes that the evidence obtained in the scope of its assessment is sufficient and appropriate to provide a basis for our conclusions.²

BlueMark's full assessment methodology, based on its professional judgment, consisted of:

1. Assessment of the Fund in relation to impact investing industry best practices, using BlueMark's proprietary rubric and examining evidence related to the Fund's impact strategy, management, governance and reporting practices.
2. Interviews with UOBVM staff responsible for the impact and ESG approach at AIIF II.
3. Testing of selected AIIF II transactions to check the application of impact practices and systems; and
4. Delivery of assessment findings to UOBVM, outlining areas of strong alignment and recommended improvements, as well as BlueMark's proprietary benchmark ratings on the extent of alignment with impact investing industry best practices.

¹ The standards and frameworks used to inform BlueMark's assessment of each client's IM system and reporting approach include the Impact Management Project, the Operating Principles for Impact Management, the Principles for Responsible Investment, SDG Impact, and the Sustainable Finance Disclosure Regulation.

² The scope of BlueMark's assessment procedures does not include the verification of the resulting impacts achieved. BlueMark's assessment is based on its analyses of publicly available information and information in reports and other material provided by UOBVM. BlueMark has relied on the accuracy and completeness of any such information provided by UOBVM. The assessment results represent BlueMark's professional judgment based on the procedures performed and information obtained from UOBVM.

Fund ID assessment ratings approach

BlueMark’s Fund ID assessment framework generates an overall rating, which is calculated by totaling the number of points and sub-ratings earned across each of the four impact assessment pillars of strategy, governance, management, and reporting.

Overall Fund Rating Criteria

Platinum (>75%)	Funds receiving a Platinum rating consistently employ leading practices and align with industry standards across the four assessment pillars.
Gold (51-75%)	Funds receiving a Gold rating implement most to all fundamental best practices across the four assessment pillars.
Silver (25-50%)	Funds receiving a Silver rating have implemented many best practices across the four assessment pillars but have not addressed certain fundamental aspects.
Bronze (<25%)	Funds receiving a Bronze rating implement few to no best practices across the four assessment pillars.
